

Down payment for firm (binding) secure reservation

Our guest makes a **prepayment** or down payment (pays a deposit), which is depending on the season and number of the rooms : from the first night `s rent up to 85 % of the total rent.
This prepayment could not be lower than the rent for the first night.
In this case we cannot rent that room or apartment anybody else even in case of guest's non show up.

That means in plain English, the room/apartment cannot be rented for someone else for that particular night the reservation was made for.

Our guests can choose from the following possibilities:

- **by Western Union**

This method is the fastest way.

Within one work day I can receive the amount, but only on my name :

Name : **András , Sándor** , surname : **Szilágyi**

Please note I have **two names** and **one surname!**

address : 1158 Budapest, Bezsilla Nándor utca 64.

Give your full name, address, the amount and the security number.

Send all these data by e-mail to me.

Please make sure that the same data were set in the computer what is written on the receipt of Western Union.

If one data is missing or not exactly the same I cannot receive the amount.

In the peak season or if there are only few days to arrival, please do not make any down payment ,before you have contacted the owner by phone: +36-30-5190966 or if he is not available our central mobile number : +36-30-2516121!

City Centre Apartments kkt. is confirming the receipt of the down payment also within one work day.

- **money transfer** to our bank account .

Please note that our bank will sometimes charge us at least 5-12 € for receiving your down payment. Please do not believe always your bank when it assert you the contrary !

At the current economical situation in Hungary – highest taxes, very high expenses – we cannot afford it us. That is why we will deduct it from your prepayment. We certainly will show you the statement of account upon arrival, if we had extra costs regarding your money transfer

4-6 days after you have transferred the amount, we can check whether the amount has arrived. We will let you know this by e-mail on the same day.

A normal reservation is for us enough in the most cases.

We do not require in the offseason this type of reservation, because we have high costs (1800-3000 HUF) for one day down payment. Our guests **should pay our bank fee.**

- **money transfer to our postal address** :City Centre Apartments kkt. H-1158 Budapest, Bezsilla Nándor utca 64.

It could be sometimes more economical from Italy , Germany etc. than bank transfer.

Check it with your bank and post.

- **cash payment in advance in our walk-in-office** VIII.Szentkirályi utca 5. by friends or relatives.

If you wish to transfer the amount to our bank account, please let us know. We removed it from this page, because some people wanted to use it for money laundry.

But we send it to you on request.

We wish you a pleasant stay in a sunny Budapest.
