

Information by the phone

We endeavour to keep our prices as low as possible.
That is why we have limited assistants.
One person is in charge to answer all the phone calls
between 8 a.m. And 10 p.m. as well as the e-mails.
He / she is also serving the guests coming to the office.
We often are not in the office ,
because of our other activities, laundry, cleaning, maintenance
or showing an apartment to our guests.

Please use this web site <http://citycentreapartments.hu/> as
main source of information. We keep our site updated.
This is more exact and always available than a phone call, you can even print it out !

If you have any question, which is not answered by the site
or you are in doubt, please use our **questionary** [Check prices and availability](#)

or if you want to book, use this link [Online booking without bank card](#)

and send it online to us.

You'll get the answer /confirmation in a couple of hours.

Thanks for your co-operation.
