You are requested to inform us about your demand on internet access upon arrival in the reception.

The service ends next day by 10.30 a.m. regardless what the previous day the service started.

In the same time we can provide such an cable internet access max. in twenty rooms and 20 wireless connections , because the system does not allow more.

Prepare your laptop(notebook) to be able to receive **cable broad band** internet connection, because this is the safest reception.

You can also use the **wireless (WiFi)** option, but be sure how to set your PC or laptop.

However you 'll find cheap internet cafes in the neighbourhood starting from 100 HUF per an hour. See "[Practical info on Budapest](#)" at our web site.

Two internet cafes nearby:18- 24 hours open one "Chatman" at the crossing of Dohány and Kazinczy utca.

You walk left from the building Szentkiralyi utca 5, turn at the main road Rakoczi ut to the left. At the first pedestrian crossing cross the man road, turn to the right. Pass by the book store LIBRI, which also offers internet services, but only from 10 to 18 hours. Keep on walking and turn at the first lane to the left.

The third one is in our street on the left side at the corner with Mikszáth tér /square/. Open from 8 a.m. to 8 p.m.

However it is possible to send an e-mail from our office according to the availability of our assistant free of charge.
