We work from 8 a.m. to 4-5 p.m. at Szentkiralyi utca 5.

Exceptions: Holy Eve, Christmas days, New Year' Eve. See" late arrival".

Please go to our office on the ground floor. In case we are busy out of the office elsewhere in the building,you just need to find us, for we cannot afford us sitting in the office. We are always busy with our guests, apartments etc.

We endeavour keepig our prices as low as possible, that is why we have just very limited assistants and work daily even 12-14 hours. You can also call [our phone numbers](#) , if you will not find us in the office.

For emergency please use our safety „City Centre Apartments“ mail box in the gateway to drop the keys in.

Why do we require a deposit for the keys ?

Our locks are a part of a security system and manufactured aboud for our company. That is why they are really expensive. If case a guest is loosing a key, we have to change the locks /at least 2 or 3 locks/.

They cost 2-5 times more than the deposit !!!

If a key is broken into 2 pieces, we change it for a new key without any surcharge except the apartment 7/a,21/3 and 20 . These three apartments have another type a security lock, which key cannot be copied at all.

When you return the keys and the apartment is in the same condition as upon arrival, your deposit (the same bank notes) will be returned.

We hope on your understanding and cooperation.
