

## Reduction for long term stay

Our staff gives following discounts for long term rentals in case the total rent for the whole stay together with the deposit for the keys will be paid in cash in one amount upon arrival

- for longer stay than 3 nights 6 %
- for longer stay than 8 nights 12 %
- for longer stay than 12 nights 20 %
- for longer stay than 18 nights 35 %
- for longer stay than 24 nights 45 %
- for longer stay than 30 nights 55-65 %

In case of prolongation of stay the guest keeps the discount received for the first part of his stay even it is regarding only one more night.

The long time rental includes overhead expenses up to 15000 Ft per a month. This covers the normal costs. In a **very** cold winter month can be this higher because of the heating costs. In this case the difference will be paid by the guests.

The rent includes changing the bedclothes and towels and cleaning the bathroom after every 7 days .

In some of the apartments / 2,4,6,6/a,8,9,11/3,14,20,21, is possible to get a washing machine for 6000 HUF per a day. Deposit is 25 Euro for the washing machine.

The rent for the washing machine includes the costs for water and electricity, but not the possible repair expenses.

In most of the apartments we can provide **internet access** (WiFi or DSL depending on location) for **free of charge** , in case one month rent will be paid in advance.
