

Rules for smoking in the building, non-smoking rule for the apartments

The Budapest Firebrigades and ANTSZ do not allow to smoke in any hotel room according to the EU guidelines. Please keep this rule, because they fine you otherwise from 150 000 HUF(500 € up to 2000000 HUF(6660 €!!)).

I have seen in a report on TV that somebody paid a fine of 1 500 000 HUF (500 €) !!

You are not allowed to smoke in any apartment , any bathroom , any toilet any kitchen either!!!

Place for smoking in the building is on every floor in the main stair case in the middle towards the courtyard [indicated by a sign](#). You find a metal ash tray there and after use please empty it in a rubbish bin.

If we find you smoking in any premises of the apartment or we find cigarette ash in the apartment, you have to pay us 40 €.

I have read this rule.

I am committed to keep this rule otherwise I am aware to pay the imposed fine by the authorities ,which is up to 2 000 000 HUF (6660 €).
