

## How to get a **Shengen visa for Hungary**

Hungary(European Union) requires Shengen visa from citizens of many countries like Australia, Brazil, Argentina,Russia, Ukraine, Belarus,Kazahstan, Georgia, Armenia, Azerbaijan and lots of countries in Asia, America.

The Hungarian Embassy /consulate / requires a voucher about hotel reservation.

We can provide it after you have made a reservation at us.

We need **your name, surname, birth place and date as well as your passport number sent by e-mail**. If you ask in an e-mail we certainly can send it to you.

The voucher can be accepted in the Hungarian Consulate by e-mail or by fax, letter. Ask in which form they prefer it. By e-mail is the best, fastest way.

So you'd rather give us also a fax number where we can send it to in case the Hungarian consulate requires.

At most of the Hungarian embassies (consulates) the service **accepts only prepaid voucher**.

***Pls. inquire about the varying conditions at Hungarian embassy/consulate in your own country.***

Our experience tells that the Hungarian Embassy in Moscow, Belarus,Kazahstan, Georgia and in some Asian countries **accepts only prepaid voucher**. For citizens of those countries we highly recommend to make a firm reservation with prepayment of your whole stay or at least a down payment.

Medical insurance also required.

If you come to a special sport or cultural event, you can also attach a certificate about it.

See our web site page "[down payment](#)"

There you can find details about reservation and prepayment options and you can make a reservation as well.
